
Disaster Debris Removal Services
RFP #COK 25-027

RFP ADDENDUM #2

Date of Addendum: August 11, 2025

2.0 – RFP		
Item	Section	Description of Change
2.1	Q & A	Questions and Answers

1. Does the City have a standard pricing sheet, or is the contractor responsible for providing their own? The bid documents reference "Attachment A," but it is not included.

Contractor should provide their own FEMA/GEMA compliant pricing sheet.

2. Who is the City's current contractor?

DRC Emergency Services through a third party contract w/St. Marys.

3. When was the last activation? Who performed the work, and what was the total yardage?

September 2024- Hurricane Helene

4. Who is the City's current monitoring contractor?

DebrisTech

5. What is the term length of this contract?

2028 - "The term of this Agreement shall commence on the Effective Date and terminate on June 30, 2024, subject to the provisions of Paragraphs 5 and 6 (the "Initial Term"). Upon expiration of the Initial Term, this Agreement shall continue for (4) additional one-year terms as set forth in Section 5 below or otherwise extended pursuant to mutually agreeable written terms.

6. Does the City intend to provide a price sheet or shall the contractor provide their own?

The contractor shall provide their own price sheet.

7. Will the City or the Contractor be responsible for tipping and disposal fees?

The contractor will be responsible for the tipping and disposal fees but will be submitted to the monitoring services for reimbursement approval.

8. Is there a specific question deadline for this project?

No, there is no specific deadline for questions.
