Water and Wastewater Account Information

For your convenience we have created this informative brochure covering the basics of water and wastewater account information. We hope that this answers all of the questions you may have, but should you need to speak with one of our account representatives, please feel free to contact us.

City of Kingsland Municipal Services Department

Phone: (912) 729-5613
 Fax: (912) 729-8827
 After Hours: (912) 729-8236

Account Information

Utility Deposit

All residential accounts require a \$100.00 deposit to begin service. This deposit is refundable after 24 months of good payment history or when services are discontinued and account balances are paid.

Commercial accounts must contact our office regarding deposit information.

Billing Cycle

All utility bills are mailed out by the 5th of each month and are due by the

date posted on the bill. All payments must be received in our office by 5:00 pm on the due date. We do not honor check dates or postmarks. **Failure to receive utility bill does not relieve obligation to pay.**

Payments can be made online at www.kingslandgeorgia.com or via phone at 1-844 -652-2088 (3% Service Fee).

Penalties and Fees

A 10% penalty is added to all current amounts not paid by 5pm on the due date.

Balance on account must be paid by the current bills due date to avoid disconnection. All accounts **appearing** on the disconnect list for non-payment are charged a \$25.00 service fee. Services disconnected for non-payment will be restored only after balance is paid in full.

All returned checks and bank drafts will be charged a \$30.00 fee. Any returned check or draft not paid by the specified date will have utility services disconnected and will be charged an additional \$25.00 fee. Utility services will only be restored once all fees are paid in full.

Account Transfers

Utility services may be transferred from one address to another as long as both locations are serviced by the City of Kingsland.

Current accounts must be paid in full before services can be transferred. A \$20.00 transfer fee will be billed on the first bill at the new address.

Things To Remember

- All water meters are the property of the City of Kingsland. Anyone found tampering with a water meter will be subject to a fine. Meters may only be turned on or off by City employees.
- Per City Ordinance, the consumer shall furnish and maintain a private cut-off valve on the consumer's side of the meter.
- For after-hours water and wastewater emergencies, please call (912) 729-8236.
- The City of Kingsland has instituted the CodeRED Emergency Notification System, an ultra high speed telephone communication service for emergency notifications. This system allows us to telephone all, or targeted areas of the City in case of an emergency situation that requires immediate action such as utility outage, boil water notice or evacuation notices. For more information or to sign up for CodeRED, please visit our website at www.kingslandgeorgia.com or call (912) 729-5613.
